COLLABORATIVE LEARNING PLATFORM

Study Group Finder

Connect · Collaborate · Succeed

Smart Study. Together.

The Challenge

Why students struggle studying alone

Lack of Motivation

Studying solo leads to procrastination and burnout without peer accountability.

No One to Discuss With

Concepts are harder to grasp without discussion, debate, and shared perspectives.

Missing Notes & Resources

Students miss key material with no easy way to fill gaps or share resources.

Study Group Finder solves all three problems — in one app.
